

Cedars & Cedars North Apartments

JULY 2011

HIGHLIGHTS

Happy Birthday, America

Celebrate your liberty! Display the flag. Wear red, white and blue. Sing patriotic songs. However you spend Independence Day, make sure you have some fun!

Potluck Savings

Next time you're planning a night out with friends, suggest meeting at your home for a potluck. The food and beverages will be much cheaper than they would be at a restaurant, and you won't have to fight a crowd or tip a waiter.

FIREWORKS

Fireworks are not allowed on the property.

Nightstand Notepad

Ever found yourself tossing and turning at night, fretting about something important you must do? Keep a notepad and pen on your nightstand so you can record any late-night ruminations, roll over and enjoy a peaceful night's sleep.

Buy Local, Eat Green

Summer is the perfect season for home-grown fruits and vegetables. Farmers' markets abound, as do locally grown sections in chain supermarkets. Eating seasonal produce grown close to home saves the high costs of transportation, and products get to your table faster, meaning they're fresher and more flavorful.

BULLETIN BOARD

Positive Thought

"A happy person is not a person in a certain set of circumstances, but rather a person with a certain set of attitudes."
—Hugh Downs

Lemon-Fresh Microwave

To clean and deodorize your microwave, cut a lemon into quarters and place the pieces in a small bowl with a cup of water. Boil for five minutes. The lemon will combat odor and the steam will loosen any grime, making cleanup easy.

NOTES & NEWS

Reminders

Just a reminder to everyone that there is no barbecuing allowed on the property. Only electric grills are allowed.

Noise

A reminder to everyone that we live in apartments. Loud noises can be very rude and disruptive to your neighbors. Please be courteous to each other. Bass in stereos can shake the walls and can travel through the walls. Please keep the music and noise down. Screaming, yelling and arguing travel through the walls.

Garbage/Parking

Please help keep Cedars/Cedars North clean. Put all garbage INSIDE the dumpster. If someone puts a bag outside, everyone else will do it. Please don't throw your cigarettes on the floor. Keep it looking clean.

Please park in your assigned parking spots. If you don't know what your spot is, contact the office and I will let you know. Any car violation is subject to towing at your expense.
